ABOUT COMPANY

Nelson International Commodities is a trusted name in the Veterinary & Livestock Instruments industry, established in 2018. Our foundation is built upon decades of expertise, as our predecessors have been pioneers in the surgical instruments sector since 1995. With a strong heritage in precision manufacturing, we expanded our expertise into the veterinary industry, bringing the same commitment to quality and innovation.

We specialize in Hoof Trimmers, Castration Forceps, Nose Tongs, Farrier Tools, Veterinary Scissors, and a wide range of Livestock & Veterinary Instruments. Using high-grade stainless steel and advanced manufacturing techniques, we ensure that our products meet the highest standards of durability, precision, and reliability.

At NICVET, we are dedicated to delivering premium-quality instruments that cater to the needs of veterinarians, livestock farmers, and distributors worldwide. Our commitment to innovation, craftsmanship, and customer satisfaction has positioned us as a trusted supplier in Europe, the USA, and beyond.

“Precision Tools for Animal Care – Built for Excellence!”
